

Camping and backcountry experience

Extensive. Expert.

Examples include:

- Thru hike of 500-mile portion of Canada's Great Divide Trail in 2008
- NPS backcountry ranger in Denali, Olympic, and Gates of the Arctic from 2010-2015
- 400-mile trip including following the entirety of Alaska's Susitna River in 2013
- 11-day trip in Arctic National Wildlife Refuge in 2015
- Solo crossing of Nussuaq Peninsula in Greenland in 2021

Mountaineering Experience

- Lhotse (27940 feet), Mera (21246 feet), and Lobuche (20075 feet) – Nepal, 2019
 - IWLS 24-day mountaineering school, 2013
 - Chimborazo – Ecuador, 20548 feet, 2013
 - Cayambe – Ecuador, 19000 feet, 2013
 - Cotopaxi – Ecuador, 19347 feet, 2013
 - Scott Peak – Alaska Range, 8828 feet, 2013 (multi-day glaciated peak)
 - Mt Pendleton – Alaska Range, 7605 feet, 2013 (multi-day glaciated peak)
 - Olympus – Washington, 7980 feet, 2011 (multi-day glaciated peak)
 - Huayna Potosi – Bolivia, 19974 feet, 2006 (unsuccessful summit)
 - Granite Peak – Beartooth Range Montana, 12807 feet, 2017 (includes technical rock)
 - Split Peak – Glacier Park Montana, 9792 feet, 2017 (includes technical rock)
 - Mt. Wilbur – Glacier Park Montana, 9321 feet, 2008 (includes technical rock)
 - many smaller glaciated peaks in Alaska Range
- Ice climbing (intermediate) – Bozeman, Ouray – including multi-pitch
- Rock climbing (intermediate) – including lower angle multi-pitch routes in places like Boulder Canyon, Flatirons, southern Utah, Eldorado, Red Rocks (Nevada) – altogether well over 10 US
- Regular gym climber (11-/11)
 - Canyoneering (technical, including 100-200-foot rappels) in Grand Staircase Escalante, San Rafael Swell, Death Valley, Grand Canyon, etc.
 - Skiing – A/T (proficient) + in-bounds (double black) – worked as a lift operator at Alyeska in 2013 requiring expert skiing ability
 - Regular 14er/13er climber here in Colorado + trail running
 - I have also done some technical caving

Whitewater Experience

- Thousands of miles in Alaska including entirety of Susitna River, Jago River, Anaktuvuk River
- 21-day self-supported Colorado River trip through the Grand Canyon in 2022
- Swiftwater Rescue (certified twice in 2010 and 2012)

Medical Experience and Training

- Former National Registry EMT (2011-2019)

- CPR for medical providers (2010-2019)
- Former Wilderness First Responder (2010-2012)

Other Training

- AIARE 1 + AIARE Avalanche Rescue (Colorado Mountain School, 2022)
- ASG3 (Avalanche Science Guides, 2024)
- Rock Rescue (Colorado Mountain School, 2022)
- Ice Climbing Development Series: Level 2 (Colorado Mountain School, 2022)
- Can obtain relevant trainings as needed including WFR, IFMGA Mountain Guide, etc.
